Message from the President

Heritage Foundation of Art and Culture is happy to announce the successful completion of Nazariya 2016 and is heading towards a mega 2017. The 8th anniversary of Nazariya is looking forward to reaching new places, schools and region to bring out the best talents and provide them a platform to showcase their work and to promote GO GREEN.

Nazariya has been a wonderful journey so far and we look forward to a great 2017 this year. Heritage Foundation of Art and Culture is constantly working towards providing new and innovative platform for the budding artists.

We are glad to furnish our 1st edition of the 'Nazariya Souvenir' magazine for your kind perusal. The Souvenir covers all the top paintings and highlights of the preceding year.

We believe ART is a medium of education to teach children the values of life. The objective is to develop the young mind towards social awareness & take adequate initiatives in their day today lives for a greener future. Children are our future generation and they need to be mold the right way.

We would like to thank the School Management, Teachers and Parents for supporting the program year on year and we solicit your continued patronage. We owe the success of Nazariya to all schools, corporates and individuals who supported to make this program a flagship event. Our sincere thanks to the Karnataka State Pollution Control Board, Bangalore Water Supply and Sewerage Board, Micro Labs Limited, Sagar Hospitals, Aviva Life Insurance Co, Advait Hyundai and Naturo.

To create a successful platform for children and to promote & propagate Indian Art and Culture, Heritage Foundation of Art and Culture requires your humble support. Every contribution that you make, can make a difference.

Please contribute, if you can today. We need your continued support to enable us to continue with our work with the same vigor and passion.

All contributions made to Heritage Foundation of Art and Culture will avail an **80G tax exemption**.

We would like to thank Bangalore Water Supply and Sewerage Board, Micro Labs Limited, Mr. Tapan Kumar Ghosh, Ms. Kalpana Sen Gupta, Mr. Bhujanga Shettigar, Mr. R A Rajesh and Ms. Hemalatha Sahu for supporting the Nazariya Souvenir.

Last but not least, our sincere thanks to all the School Management, Teachers, Parents and children for making this program a successful one.

NAZARIYA

A National Level Painting Competition Portraying Children's View on Environment

Nazariya is a national level painting competition conducted in India presented by Heritage Foundation of Art and Culture and managed by Options Conceptual Services Pvt Ltd since 2010 with the objective and vision to promote '**Go Green**' among the young generation through Art.

We believe children are the building blocks of our future. They need to be given the right fundamentals of life and ART is the only medium which can connect every child irrespective of age, gender or religion. It is through art that children can be taught the importance of our environment and its resources. Thus 'Nazariya' has successfully been instrumental in connecting with more than 35000 students across India. The competition involves children of all age groups portraying their view on environment through art

Nazariya was initiated in 2010 through an open competition held at Rani Sarala Devi High School, Bengaluru. Every child was provided with free saplings & certificates to acknowledge their effort and to promote GO GREEN.

In 2012, we introduced **School Championship Trophy** to recognize the Highest number of Award Winners from a school. New Horizon Public School, Bengaluru achieved the Winner Trophy thrice followed by The New Cambridge English School, Bengaluru and Sudarshan Vidya Mandir, Bengaluru. We received the support of Karnataka State Pollution Control Board for three consecutive years during this period.

In 2013, to provide the students with a cross-learning platform, we introduced The Nazariya Exhibition. The first Nazariya Exhibition was open for the general public at the Chitrakala Parishath, Bengaluru followed by the Venkatappa Art Gallery, Bengaluru during the subsequent years. Nazariya was announced as a State Level program in 2013 and entries rushed in from many cities.

NAZARIYA

A National Level Painting Competition Portraying Children's View on Environment

As we witnessed more acceptance for the program with more and more student participation from different schools, we **introduced a school-level recognition** in 2014 for each category. In 2016, 486 students of various schools have been recognized as winners at the school level along with trophies and certificates.

Students of Presidency School
at the Nazariya Exhibition.

In 2015, Nazariya was announced as a National Level Competition inviting entries from across the country.

Last year we received a good response from 9 cities. Top prizes were won by students of Agra, Kolkata, Mysore, Hyderabad, Pune, Bangalore Chennai & Guwahati.

In the past 7 years, we received a wide acceptance & appreciation for the program across the country.

In view of the same, we initiated a **Nazariya workshop** for the talented students of various schools. In the 4 day long workshop, students were given a complete hand-holding on theme development, color composition and other aspects of painting to bring out the best creativity and output from the students. The paintings done by them was sent for an international competition.

This year we are celebrating the 8th anniversary of the program and we seek the support of all school management, teachers and parents to make this Nazariya Journey a memorable one. The program was initiated with a simple thought of propagating the GO GREEN message through children. The program has seen good acceptance and we from Heritage Foundation of Art and Culture look forward to your continued support to take this program to more cities reaching a larger audience.

YOUNG WARRIORS

Where Imagination meets impossibility

An Inter-school Lightning League Chess Tournament

Options Conceptual Services Pvt Ltd has successfully accomplished the 7th edition of 'YOUNG WARRIORS', an elite inter-school lightning chess tournament for children in Bangalore. The lightning chess is the fastest played chess format in tournaments. The objective is to enhance quick decision making skills in the budding 'YOUNG WARRIORS'.

The program has gained acclamation through time and we would like to extend our thanks to all schools for participating in this mega activity and for encouraging every child to be a Winner.

The tournament is played in a Lightning Swiss League format wherein the player & his opponent will play for 5 mins each on their clock. The toppers of each school compete at the Grand Finale. The students are categorized into 3 groups viz., Sub Junior, Junior & Senior. There are 45 prizes rewarded to the winners ie. 15 prizes in each category (Top 3 & Consolation prizes). The prizes & gift cheque/s are sponsored by Heritage Foundation of Art and Culture. The management of East Point School had extended complete support towards successful completion of the program. The 8th edition of YOUNG WARRIORS will commence in Sept 2017.

TIGER - MY FRIEND

Students of Mount Litera Zee School, North Bangalore

In our endeavor to bring in a sense of belonging, care and patriotism in children by relating them to various social causes has yet again helped us to create an activity which can bridge the children with the environment. In short, a coloring competition and a story-telling competition for the pre-primary and primary kids to leverage their skills and talent and bring out the best in them. On this occasion of 'INTERNATIONAL TIGER DAY', we are initiating our 3rd edition of 'TIGER - MY FRIEND' program at your disposal. TIGER being our National Animal, we feel will bring out the patriotism as well the fun side among children. ART is a medium which can translate the mind of the children in any form be it coloring, painting, music, story-telling.

It is our small effort to connect children with our National Animal 'TIGER' and create a sense of belonging and care among children for our environment and its resources. The program involves coloring and a story-telling competition for children revolving around 'TIGER' as a theme.

The latest report says that we had 1 lakh Tigers in the world earlier, and today there are only 3000 in the world. At this rate, it is estimated that TIGERS will be extinct soon and shall be seen only in books and magazines down the line. TIGER also contributes to our GDP by attracting more tourists, not just Indians but also the foreigners to the National Parks. TIGER is our symbol of National Pride, it is the duty of every citizen of our country to safe guard and protect our National Animal.

WORLD WATER DAY

Save Water for My Tomorrow

awareness campaign to save water and energy

'SAVE WATER FOR MY TOMORROW' is an awareness campaign initiated in 2013 on the occasion 'World Water Day' to educate children on the need to conserve fresh water. Fresh Water resources are diminishing by day and it is necessary to sensitize children and their parents to leave this essential commodity of life for our future generations.

It is a small effort from Heritage Foundation of Art and Culture to promote the awareness among children through the ways they understand better. We believe coloring competition is a tool to reach these little hearts and mind and sow the seed of life in them. To encourage and recognize the work done by them, we felicitate every child at the school level and the top best will be rewarded at a prize distribution ceremony to commemorate the occasion.
